Hapuku Lodge is a contemporary country inn located 12 kms north of the renowned eco-marine town of Kaikoura. Settled within an expansive deer farm and 1000 tree olive grove, the Lodge is situated in one of the most spectacular settings in New Zealand, nestled between the Kaikoura Seaward Mountain Range and famed Mangamaunu Bay.

The Olive House Apartment features a fireplace, European style bathroom with a two person spa bath and handcrafted furniture, including the Lodge's renowned beds, mattresses and linens that produce "the most comfortable sleep in the South Island".

At Hapuku Lodge, our passion for food is expressed through our award winning Hapuku Café, voted the "Best Café on the Kaikoura Coast" in 2003 and 2004 by Café Magazine, confirming our belief that food should always be fresh, uncomplicated and flavourful. Taking advantage of seasonal ingredients, sourced whenever possible from local organic farmers, Hapuku Café specializes in local seafood, venison, and vegetarian dishes.
